## WELCOME IN ITALY maiori

I maestosi templi dorici, illuminati da un sole intenso, e la lunga fascia costiera, lambita da un mare scintillante, fanno di Paestum un luogo incantevole dove trascorrere le proprie vacanze. La città antica è strategicamente posizionata a pochi chilometri a sud della costiera Amalfitana e a nord della costiera Cilentana, fungendo da porta del Parco Nazionale del Cilento. Considerata dall'U.N.E.S.C.O. patrimonio dell'umanità, Paestum rimane, per l'arte, la natura, i sapori e gli eventi che la caratterizzano, tra le più belle città della Magna Graecia da visitare e scoprire.

The majestic Doric temples, illuminated by sunlight and the long coastal strip, brushed by a sparkling sea, are the elements which make Paestum a charming place in which you can spend your holidays. The old city is located in a strategic position, a few km South of the Amalfi Coast and on the north of the Cilento Coast, it is the door to the National Park of Cilento, considered by the U.N.E.S.C.O. as a world heritage, Paestum remains, for its art, nature, tastes and events which characterize it, one of the most important beautiful cities of Magna Graecia, which must be visited and discovered.
